

# 2015 K-State Beef Conference

## Program

### ***“Improved Management, Improved Nutrition, Improved Profit”***

#### **Building successful personal and professional relationships**

*Mr. Rich Porter, Reading, KS*

#### **Low stress cattle handling**

*Dr. Justin Waggoner, Beef Systems Specialist, KSRE*

#### **Year-round mineral supplementation strategies**

*Dr. Chris Reinhardt, Extension Feedlot Specialist,  
KSRE*

#### **Town Hall Question and Answer Session**

*Speakers and Extension Specialists*

## Conference Information

**Goal:** The goal of the meeting is for extension expertise to interface with profit minded cow-calf producers on a range of timely and economically impactful topics.

Depending on location, the program will start at either 9 AM or 5 PM and runs for four (4) hours. The program format will be a series of talks followed by a town hall style question/answer session.

Registration fees and payment forms may vary by site. Contact your local host contact for registration details. A meal is included in the registration fee.

Registrations should be completed with the hosting county/district office. To aid in the judicious use of funding resources, a minimum of 40 attendees at each site is requested. Please RSVP with hosting extension specialist(s).

#### **Kansas State University, Agricultural Experiment Station and Cooperative Extension Service, Manhattan, Kansas**

Kansas State University is committed to making its services, activities, and programs accessible to all participants. If you have special requirements due to physical, vision, or hearing disability, contact Bob Weaber, Extension Specialist, 785-532-1460 or [bweaber@ksu.edu](mailto:bweaber@ksu.edu).

K-State Research and Extension is an equal opportunity provider and employer. Issued in furtherance of Cooperative Extension Work, Acts of May 8 and June 30, 1914, as amended. Kansas State University, County Extension Councils, Extension Districts, and United States Department of Agriculture Cooperating, John D. Floros, Director
