

NO ONE DOES MORE FOR VETERANS.

USAA was created exclusively to serve the needs of the military, veterans who have honorably served and their families. We provide a comprehensive range of financial products and services delivered with the level of integrity and customer service you have earned.

Lockton Affinity serves the needs of VFW Posts offering customized property and casualty insurance options for Posts of all sizes. Posts also have access to a voluntary Accidental Death and Dismemberment program for Post members, to supplement the no cost personal accident coverage received with VFW membership.

Dignity Memorial® is North America's largest network of funeral homes and cemeteries. We serve thousands of veterans each year and provide assistance to help secure all the VA Burial benefits veterans are entitled to. Special pricing is available to VFW members and their spouses that complements their current government burial benefits.

Transamerica helps VFW members protect their loved ones and plan for their financial security with life insurance products. VFW sponsors Transamerica's Medicare Supplement insurance. Insurance benefits are underwritten by one of these Transamerica companies including: Monumental Life Insurance Company, Transamerica Financial Life Insurance Company, and Transamerica Life Insurance Company. Product availability varies by underwriting company and state.

NewDay USA is VFW's exclusive provider of home loan solutions, offering a wide array of products and services, including home equity, home purchase and refinancing loans.
